B.ED

Welcome to Chouhan College of Education

About us:

Chouhan College of Education has been started under the banner of “**Chouhan Education Society**” with motto “**Education with a Social Commitment**” located in the city of Lakes, Bhopal, Madhya Pradesh. It is the only educational institution in Bhopal which provides the platform to the students to be an integral part of the society through its proper Training. For quality education there is need for competent teachers. Our college has not only all the facilities for providing quality education but also the skilled and competent teachers who are capable to train the pupil-teachers in such a way that they will shape the destiny of our nation in a better way. Chouhan College of Education is progressive, futuristic and promoter teaching learning in the area of education.

Besides teaching learning the college also organizes Guest Lectures, Seminars, Workshops, and Tutorials etc. for the students to enhance the knowledge and grooming their personality.

Chouhan College of Education is affiliated to Barkatullah University, Bhopal (M.P.) and recognized by NCTE. The College runs B.Ed. course at present.

Vision:

The specific vision of the college is inscribed in the motto, “Education with a Social commitment”. Chouhan College wants to inculcate in its students a deep sense of commitment to society, especially to its deprived and weaker sections. Education is the powerful weapon in the hands of human beings. Without education we can't imagine any developments of man and society. Hence, Chouhan College wants to light the lamp of education and proceed towards a better society.

Mission:

- Promotion of excellent academic atmosphere.
- To promote and provide quality teaching-learning environment to the students.
- To encourage community awareness among them.
- To inculcate the feelings of professional ethics.
- To help them in achieving all round development.
- To develop the feelings of inquisitiveness for excellence and unity in diversity

Objectives:

- To develop leadership skills.
- Team Building.
- Community awareness.
- To promote character building and develop the feeling of national as well as international understanding.
